## **Grant Applications**

The ESC Skiers Foundation Trust Fund was set up in 1998 by the then Board and has continued ever since, albeit rather quietly, mainly due to the limited availability of funds!

However, funds have built up within Snowsport England's (ESC's) accounts over the last few years, and some of these were allocated by the Board to a 'hardship fund'. These have now been paid to the Trust Fund and will be available to support suitable applications.

The Trust Fund Deed provides that the funds be used towards any or all of the following objects:

- a. to pay cash bursaries to winners of selected awards .... beneficial to the sport of skiing in all its forms
- b. to pay bursaries or grants to members of the ESC, persons connected with the ESC or any group of persons that the Trustees consider at their absolute discretion would further the sport of skiing in all its forms. There will be no age restriction. Bursaries or grants shall include those which in the Trustees' discretion will:
  - i. assist in that person's training and/or education towards the pursuit of personal excellence or improvement
  - ii. assist in the training of officials in all disciplines of skiing
  - iii. assist in the training of teachers or coaches in all disciplines of skiing
- c. In furtherance of the above objects, the Trustees may sanction bursaries or grants to cover the recipient's outgoings or proposed outgoings by way of courses, living expenses and travel expenses and expenditure on skiing equipment or clothing.

Applications are invited on the attached form with a closing date of 31<sup>st</sup> January 2005. All applicants will receive a response from the Trustees during May 2005.

Applications received after 31<sup>st</sup> January 2005 (subject to availability of funds) will be held over for consideration at a future meeting of the Trustees.
